Robust cast iron latches

Custom lengths available

CRANE Chain Blocks

Crane chain blocks are built for industry. They are built to last. Made with a unique galvanizing process our cranes are resistant to oxidising, or rusting, in the harshest environments. We ensure that the unit will outlast the job.

With industry-leading overload protection fitted as standard in all our Crane chain blocks, we've ticked all the safety boxes. Cranes are fully rebuildable with a full list of spare parts.

Whether you're in power generation, mining, building and construction, offshore or workshop, Crane is the answer.

Crane - Chain Blocks

Features

- Compliant AS1418.2
- Overload protection fitted
- Fully machined brakes
- Industrial galvanized finish
- Cast iron safety latches
- Completely rebuildable
- Factory tested & certified
- Individual serial numbers
- Full range of spares
- Custom lengths available
- Servicing & testing available
- NATA testing available upon request (additional cost)

Technical Properties

Model Number	Size	Chain Length	Number of Falls
CC13	1 Tonne	3m	1
CC16	1 Tonne	6m	1
CC23	2 Tonnes	3m	1
CC26	2 Tonnes	6m	1
CC33	3 Tonnes	3m	1
CC36	3 Tonnes	6m	1
CC53	5 Tonnes	3m	2
CC56	5 Tonnes	6m	2
