## CRANE Lever Blocks

Serious riggers need a serious lever block. With industry-tough galvanizing the Crane lever block can handle the hard knocks of heavy industry in the harshest environments. For ultra safe lifting our smooth overload clutch ensures that you can work flat out with no compromise on safety. These blocks are fully rebuildable with a full list of spare parts.

Whether you are in power generation, mining, building and construction, offshore or workshop, Crane is the answer.

## Crane - Lever Blocks

### Features

- Compliant AS1418.2
- Overload protection fitted
- Fully machined brakes
- Industrial galvanized finish
- Cast iron safety latches
